Sports clubs holding mixed beverages permits shall purchase their spirituous liquor at the nearest ABC system store that is located in the county.

The Commission may further issue on-premises malt beverage and on-premises unfortified wine permits to a sports club located in a county bordering on another state that is adjacent to any county in which permits were issued pursuant to this subsection prior to August 1, 1993. The sports clubs must be located in the unincorporated areas of a county, in which the sale of malt beverages and unfortified wine is not permitted, and where there are six or more municipalities in that county where the sale of malt beverages and unfortified wine is permitted. § 18B-604. Timing and effect of subsequent elections.

(a) Time Limits. – No county alcoholic beverage election may be held within three years of the certification of the results of a previous election on the same kind of alcoholic beverages in that county. No city alcoholic beverage election may be held within three years of the certification of the results of a previous election on the same kind of alcoholic beverage in that city. Otherwise, alcoholic beverage elections may be held at any time, subject to the applicable provisions of this Chapter and Subchapter III of Chapter 163A.

(b) Effect of Favorable County Vote on City or Township. – If a majority of voters vote in favor of certain alcoholic beverage sales in a county election, sale of that kind of alcoholic beverage shall be lawful throughout the county, regardless of the vote in any city or township at that or any previous or subsequent election, and regardless of any local act making sales unlawful in that city or township, unless the local act was ratified before the effective date of Article II, Section 24(1)(j) of the Constitution of North Carolina. A county malt beverage or unfortified [wine] election in favor of a particular ballot proposition which is more restrictive than the form of sale already allowed in a city or township within that county shall not affect the legality of those previously authorized sales in the city or township.

(c) Effect of Negative County Vote on City or Township. – If a majority of voters vote against certain alcoholic beverage sales in a county election, sale of that kind of alcoholic beverage shall be unlawful throughout the county, except that sale of that alcoholic beverage shall remain lawful in any city or township in which sale is lawful because of a city or township election or a local act.

(d) Effect of City or Township Election on County. – A city or township alcoholic beverage election shall not affect the lawfulness of sale in any part of the county outside that city or township.

(e) Repealed by Session Laws 2003-218, s. 2, effective June 19, 2003.

(f) When Sales Stop. – When the sale of any alcoholic beverage that was previously lawful becomes unlawful because of an election, the sale of that alcoholic beverage shall cease 90 days after certification of the results of the election. § 18B-605. Local act elections.

If a jurisdiction has lawfully voted in favor of ABC stores or in favor of the sale of some kind of alcoholic beverage, and the jurisdiction would not be eligible to hold another election under the conditions set by G.S. 18B-600, then that jurisdiction may continue to hold elections as though qualified under G.S. 18B-600. Except for the authority to hold the election, however, the procedures of this Chapter shall apply to any subsequent election. (1981, c. 412, s. 2; 1983, c. 457, s. 4.)
